MISSION

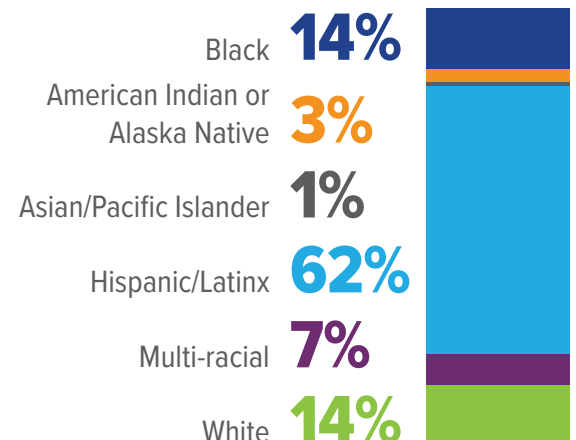

William McKinley Elementary School is a strong community of caring educators who are committed to providing a safe and nurturing environment, supporting the educational, developmental, and social needs of all students through our commitment to both our students and high expectations--every day, without exception.

CULTURALLY COMPETENT LEARNING PROGRAMS

McKinley Elementary School is dedicated to meeting the needs of all students regardless of their cultural or linguistic background. We are committed to providing a safe, linguistically rich, educational program that draws on the energy and curiosity all learners, including multi-lingual learners, bring with them, their diverse experiences and backgrounds, and their creativity as scholars. We believe that all students deserve an equitable education experience, allowing them to engage in a meaningful way with rigorous, academic content through effective language interactions that draw on the unique needs of every student.

RACIAL/ETHNIC DISTRIBUTION*

*Enrollment data from October 1, 2021.

A DEDICATED STAFF

Teachers and leaders at McKinley Elementary care deeply about each one of our scholars. We understand that academic language and content learning happen simultaneously, and all students, regardless of their background, need opportunities to engage in meaningful, rigorous, grade-level content. At McKinley, we are dedicated to serving the whole child's needs, whether we're cheering for them at a game, rewarding good behavior, or providing social/emotional learning (SEL) support, we want our students to know they are in a safe and caring environment, with educators committed to supporting their diverse social, emotional, and academic needs. With strong social and emotional skills, our students will be able to set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions in their lives.

CLUBS AND PROGRAMS

Band, Basketball, Change Makers, Choir, Coding Club, Cooking Club, Dance, Girl and Boy Scouts, Robotics, Safety Patrol, Student Council, Soccer, Volleyball

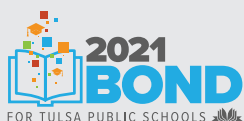

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

All clubs and programs have been paused as we monitor COVID-19 conditions and safety protocols.

FOCUS ON THE WHOLE CHILD

McKinley Elementary is more than a school; we are a community of caring professionals who are dedicated to supporting the whole child. We boast a rich, language program, extracurricular activities, additional after-school tutoring support, and a full supper after school, as a part of the Tulsa Public Schools child nutrition program. We want to ensure that students are refueled after a rigorous day of learning. Our school also offers a variety of after-school clubs, including coloring, choir, tutoring, robotics and sports, with caring teachers and staff who are dedicated to all students.

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At McKinley Elementary, the 2021 Bond for Tulsa Public Schools includes:

- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
